6 Kind reference is invited to the minutes of the Minister for Civil Supplies at para 7 in the regn cttee (ML 145-47-7 Pol) placed below. Having regard to the present financial condition of the Darrangpur Municipality, it was considered reasonable to give contingencies allowance of Rs 100 PM by

p. m. to the President of the
Vice President respectively A
reconsideration of the above order is
urged on the ground that it would be
in fitting with the status of the case
Kly to give an effect to the 2nd
proviso to sub sec (1) of sec 3 of the
respectively

The resolution passed on the
question by the Board on 19.5.1948 by
a majority of seven members as four members
have given a dissenting opinion to the
effect that the first order was just while
the other seven members have voted for
the resolution It is not exactly known
how many members actually attended the
meeting It will be seen from Kly B
that five members have presented a
petition to the first requesting a reconsideration
of the previous order of first instance
& in this connection Kind reference
invited to the fully provision of
sec 23 (14) of the Mysore Town
Kly sec 1933 on the subject ——
of the President or Vice President

If any Ward which is not a part of Municipal area may receive out of the Municipal funds such monthly allowance as Ward may sanction from time to time with the approval of the Govt. The order of Govt in this behalf are quite in order, having regard to the financial condition of the Mdy for 47-48

9 It is now stated that the volume of work on hand in the Mdy as based on the Budget figures for 48-49 is much & that considerable work & time will have to be devoted both by the President & Executive for getting through the heavy work it will be seen from the above figures for 48-49 (Para 5 supra) that they are all inflated & they are separately under scrutiny. The question of increasing the allce as now requested for for 1948-49 is for Consideration and orders.

MC 7502

10) In the light of facts & events above it is a point for Consideration & orders whether it is desirable to enhance the C. A. to the president & the Vice-president from Rs 100 & Rs 50 to Rs 200 & Rs 100/- respectively as now urged. A few members of the Council are against such an enhancement while the majority is for it
